## Guess who's among the **10% projects** on Certik!

We're proud to share that we've just earned the **10% Watchlisted honor**, which lists us among leading crypto projects such as B NB Chain, Baby Doge, and Shib!

Needless to say that it'd be impossible to achieve this result without having a high security score and providing a positive customer experience!

Thank you for your trust in our services—acting as one community, we're poised to reach new milestones!

# PLATFORM EXTENSION

As the transition to version 2.0 is approaching, we have already published our plan to give back to you through a 30-day level 25 NFT promotion.

To provide a better overview of where you stand at the moment, we added a new feature to our dashboard that shows you exactly what requirements you still have to meet to qualify.

To find this, simply connect your wallet and click “farming incentives” on your investors' dashboard.

To everyone close to rank 10 already, it might be worth pushing the last few meters to qualify for the 30-day NFT promotion as well.

## Farming Incentives

Incentive time period **11.07 - 05.08**

### Incentive prize

Upgrade your farm deposit to at least \$7.500 and release all 25 NFT affiliate levels for 30 days after the launch of V 2.0

Countdown: **19D 4H 59M 49S**

### Participation requirement
